The Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your public library!

Install Libby for Android, iOS, or Fire tablets from overdrive.com/apps/libby. Or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.

In Libby, follow the prompts to find your library (**search for Hancock County Download Library**) and sign in with a valid library card and last four digits of your phone number.

Browse for titles! 3 titles may be borrowed at a time.

Borrowed titles appear on your Shelf and download to the app automatically when you're on Wi-Fi, so you can read them when you're offline.

On your Shelf, tap loans at the top of the screen. From there, you can:

> Tap Read With... to choose whether you'd like to open a book in Kindle (U.S. libraries only) or Libby.

> Tap Open In Libby, Open Magazine, or Open Audiobook to start reading or listening in the app.

> Tap Manage Loan to see options like Renew Loan and Return Early.

Happy reading!
